

# CONFIDENTIALITY AGREEMENT CERTIFICATION

TO: SOCIETE GENERALE CAPITAL CANADA INC. and its affiliates

In consideration of my participation in a Compliance project regarding the application of Société Générale Canada – Personal Transactions and Outside Business Activities Policy & Procedure, which would include working on a new tool to extract information from account statements, (the "Project"), which Project is coordinated by the Compliance ("CPLE") department of Societe Generale Capital Canada Inc. ("SGCC"), I acknowledge that I will be privy to confidential information, including personal information of employees of SGCC and its affiliates (collectively "SG"). I hereby agree to the terms of this Confidentiality Agreement Certification, which terms are in addition to any confidentiality and loyalty obligations in my current employment agreement with a SG entity. My signature below constitutes my agreement to the following terms:

1. For purposes of this Certification, "Confidential Information" shall mean any non-public information disclosed to or obtained by me in connection with my participation in the Project, including files, emails, agreements, and any employees' personal information, including without limitation, any trading activity, trading account numbers and value of assets. It shall also mean all documents, products or tools prepared for or submitted in connection with the work performed by me pursuant to the Project.
2. From the date it is disclosed or becomes available to me and forever thereafter, I agree to hold all Confidential Information confidential and not to disclose such Confidential Information except with the prior written approval of a SGCC legal counsel or the SGCC CPLE department's head. I further agree to keep the Confidential Information in confidence and use it only in the performance of my duties in the relevant Project. I understand that I may not disclose or distribute Confidential Information related to the Project outside of the Project's team, except with the prior written approval of a SGCC legal counsel or the SGCC CPLE department's head.
3. I hereby assign to SG all rights, title and interest (including any intellectual property rights) in, without limitation, any product, tool, design, concept, technique, invention or improvement resulting from the Project ("Development") and acknowledge that all such Development and any software, framework, methodology, tool, interface, process, technique and know-how used in the development or performance of any Development shall be and remain the sole and exclusive property of SG.
4. I further acknowledge that my participation in the Project may require access to certain emails, information systems, drives or databases, and in such event, I agree to comply with all of SG's data and software security requirements.
5. The provisions of this Certification shall survive any termination of my participation in the Project.
6. This Certification shall be governed by and construed and enforced in accordance with the substantive laws of the Province of Quebec, without regard to conflicts of law principles.

IN WITNESS WHEREOF, the undersigned has executed this Certification on the date written below.
